SELLING OUT AT COST TO QUIT BUSINESS.

Having decided to discontinue our Branch Store in this city, we herewith offer the entire stock at

FIRST WHOLESALE COST PRICE.

As you are well aware all these goods have been bought in the last 18 months and a complete fall stock was bought for this season, as we did not anticipate taking this step prior to going East. We have bought everything that is new and stylish, and no stock of Dry Goods, Notions, and Furnishings is larger nor more complete than ours. This is a rare opportunity for the people of this city and vicinity to buy their winter goods at cost price. It is an opportunity for the country merchants, for they can save the freight and buy many goods for less money than they can be bought for wholesale in Cincinnati to-day. All fixtures for sale, It is our intention to close out the entire stock by January 1st, so don't miss the opportunity and don't delay but get first pick of the stock. The prices we give will convince you that we mean business. We never did nor shall now mislead the people, but tell you the truth when we say that the stock must be sold within the next 90 days. To miss this opportunity to buy your fall goods will be a loss of 25 to 35 cents on every dollar's worth of goods you buy. Our fixtures consist of one large double desk; one ron safe, a few tables and show cases, all are offered at less than cost price.
